- Investigative mysteries with atmospheric undertones

## One-Sentence Hook

When a detective in training revisits a murder long thought closed, a missing journal and a silent mockingbird drive him to unravel the threads of a dark truth

## Short Synopsis

When detective-in-training Daniel Falconi stumbles into a murder case long thought closed—the brutal killing of Alexandra Muriel, the police captain's daughter, Alexandra's lost journal and an elusive mockingbird lead him to suspect not everything is at it seems.

As Daniel digs deeper, he is drawn into a morbid cat-and-mouse game, uncovering lies buried within the very institution sworn to uphold justice. But the mockingbird, silent yet ever-present, holds a secret that will either lead him to the truth—or lure him to his own demise.

Through the Path of the Silent Mockingbird is a gripping murder mystery infused with psychological tension and preternatural intrigue. It blends investigative mystery with an eerie supernatural undercurrent, weaving together psychological depth, methodical detective work, and slow-burning suspense.

## About the Author

Alex Gadala is a Dominican-American author and musician based in Palm Beach Gardens, Florida. A graduate of the University of Notre Dame, he previously contributed to published research in nuclear physics before pursuing a career in software development and creative work.

Through the Path of the Silent Mockingbird is his debut novel and the first installment in a planned trilogy exploring loss, guilt, and redemption.
